INTRODUCTION

This announcement is made by the Company pursuant to Rule 13.09 of the Listh4is Ag 13.0ouncdLisInside

Duration:

1 January 2021 to 31 December 2023

Total area:

An additional of 27,860,000 square meters of PV Glass (for using in solar modules) is added to sales volume for 2021 as agreed in the Sales Contract.

The total sales volume of PV Glass (for using in solar modules) for 2022 and 2023 is 46GW (approximately 287,140,000 square meters).

Estimated contract amount:

Purchase price for glass of each and every specification shall be negotiated by both parties through friendly consultation on a win-win basis with reference to prevailing market prices. Taking into consideration the market penetration rate of the double-glass modules, and based on the average price of 3.2mm PV Glass as RMB42 per square meter (including tax) and the average price of 2.0mm PV Glass as RMB34 per square meter (including tax) as published by Sublime China Information Co., Ltd.* (卓創週報) dated 4 February 2021 in its weekly report, the Board estimated that the total contract sum under the Sales Contract, as supplemented by the Supplemental Agreement, would be approximately RMB11.7 billion (including tax).

Payment terms:

The Purchasers shall pay certain prepayment(s) to the Sellers, and that such prepayment(s) may be used to offset the payable(s). The Purchasers shall settle the balance of the contract price corresponding to the specific purchase order in accordance with such time and terms as agreed between both parties.

Break fee:

If either party fails to perform in accordance with the terms agreed in the agreement, the defaulting party shall pay the corresponding liquidated damages as agreed in the agreement.

Condition precedent:

The Supplemental Agreement, after signed and sealed by both parties shall be effective.

REASONS AND BENEFITS OF THE TRANSACTION

Benefiting from the rapid growth of the global photovoltaic industry, the Company has expanded its production capacity and production scale in recent years in order to better promote its PV Glass products and further improve its business performance. The Sales Contract, as supplemented by the Supplemental Agreement, will benefit the marketing of the Company's large-sized and thin PV Glass products, increase the sales of its PV Glass products, and further improve the Company's operating results.

INFORMATION OF THE GROUP AND THE SELLERS

The Company is a joint stock company established in the PRC with limited liability, the H Shares of which are listed on the main board of the Stock Exchange and the A Shares of which are listed on the Shanghai Stock Exchange. The Sellers, other than the Company, are wholly-owned subsidiaries of the Company.

The Group is one of the largest photovoltaic glass manufacturers globally and in the PRC, in terms of photovoltaic raw glass and processed photovoltaic glass. The Group also manufactures and sells float glass, household glass and architectural glass.

INFORMATION OF THE PURCHASERS

The Purchasers are wholly-owned subsidiaries of LONGi Group, a company listed on the Shanghai Stock Exchange (Stock code: 601012). LONGi Group has four main business units, including LONGi Solar, LONGi Wafer, LONGi New Energy and LONGi Clean Energy. LONGi Solar is primarily engaged in, among others, the research and development, production, sale and marketing of mono-crystalline solar cells and modules.

To the best of the Directors' knowledge, the Purchasers, their ultimate beneficial owners and their respective associates are all third parties independent of the Group and its connected persons (as defined under the Listing Rules).
